Dear Parishioners,
We have been awaiting the arrival of *Spring* and it seems that *Spring* has finally sprung and all of nature is budding forth with new life.

St. Catherine of Siena of the 14th century used natural imagery to describe the Easter Joy:

“And you, high eternal Trinity, acted as if you were drunk with love, infatuated with your creature. When you saw that this tree could bear no fruit but the fruit of death because it was cut off from you who are life, you came to its rescue with the same love with which you had created it: you engrafted your divinity into the dead tree of your humanity. O sweet tender engrafting! You, sweetness itself, stooped to join yourself with our bitterness.”

In the joy and beauty of *Spring*, may we give praise to our God.

On another natural root. The St. Ambrose Garden Committee is excited about a new growing season. The community garden has recently been expanded through the efforts of our Eagle Scout and more premium soil has been obtained. It will be a great season of growing healthy food and helping our brothers and sisters in need. *Join the fun, join the love!*

Our young people will be celebrating and receiving the Blessed Sacrament for the first time on Saturday May 12. It is an exciting but also a nervous time for our young people. I ask that we all keep them in our thoughts and prayers as they continue their preparation. Some of you will be graced to have a loaf of bread to help remind you to prayer for our children preparing to receive the Bread of Life for the first time. With or without a loaf of bread, may we all offer a prayer for our young ones.

Peace, Fr. Tom
